

Witnesham Primary School

A Warm Welcome

Welcome! Word of mouth recommendation means that our school welcomes children from far and wide. Parents are attracted by a small, family feeling village school with, in their words, a “fantastic school ethos and brilliant staff”, that “nurtures and treats every child as an individual”

Small is Beautiful

We have four classes in our school, and all the staff know every child. We pride ourselves in ensuring high levels of individual attention for each child. Our Federation with Otley Primary School and an outward focus overall mean that we are constantly evolving to incorporate best practice, resulting in great teaching and support throughout the school.

Space to Breathe

Set in just under 4 acres, with woodland, nature garden, vegetable plots and quiet area, our children have plenty of opportunities to get outside and explore. We have a thriving Eco team and we are passionate about providing a wide range of sporting opportunities for our children. The top awards won by the school reflect our long-term commitment to both PE and the environment.

A Voyage of Discovery

Our staff are wonderfully creative in providing a rich world of learning for our children, with great results:

“The school excels at putting on productions, plays, dance and music.” “A very well balanced and exciting curriculum. Lots of enriching activities and opportunities to promote life-long learners.”
